GBT Derby is on its way to China

2020-09-23 12:07

And again a GBT Derby is on its way to China !!

After a successful test run and factory acceptance, another Derby rounding system leaves the GBT factory in Villingen-Schwenningen. The GBT team is very pleased to be able to deliver again a Derby to our loyal customer in China and wishes them every success with the top quality equipment that produces their well known products.
